WE NEED YOUR HELP!

We continue to have a large number of students still being dropped off for school at 8:00am and after. The tardy bell rings at 8:00am and students should be in their rooms ready to learn at this time. To help avoid traffic back up during student drop off, we provide adult supervision starting at 7:25am in the commons for all students in grades K-5.

~Thank You!

Principal's Corner

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling and in the workplace. For the remainder of the year, make school a priority in your home. Your child's future depends on it!

Have a wonderful weekend!
